

STONHARD FLOORS KEEP PROPERTY MANAGERS FROM HAVING TO REPAINT MECHANICAL ROOM FLOORS, AGAIN.

Before

After

Stop repainting and start protecting long-term! Seamless, durable, long-lasting Stonhard floors give property managers an essential, long-term solution for mechanical spaces and mezzanine floors.

Stonhard's Stongard MR safeguards against leaks and water damage in multi-story spaces and protects expensive furniture, decorative finishes, costly equipment and valuable data centers. In addition you gain a highly durable, easy-to-clean work environment.

- **Stain, impact & abrasion resistant; reduces maintenance.**
- **No more interruption of service and operations due to repairs and restoration.**
- **Flexible installation – we are the installers so we work with your schedule and shut down times.**
- **Standard and custom colors available for marking and safety.**
- **Flexible membrane – long-term waterproof protection; eliminates worry.**
